

Cox Newsletter

July 2005

As you remember from our last newsletter we have prayed, we have fasted, we have researched, etc... about our next step after seminary ... and the answer is: we will be returning with Trans World Radio to serve in Benin (West Africa). Trans World Radio is building a new AM transmitter in Benin. More exciting details about the project will be coming in the very near future. (We are still getting all the details ourselves.)

Paul is being ordained on August 7 at 6 PM. The ordination service will be at New Covenant Church (7201 Paseo del Norte; Albuquerque, NM) with a reception following the service. We would be honored by your presence.

This last semester it became evident that Paul's five-year-old laptop was no longer reliable. This laptop had faithfully served during our time in Africa and three years of seminary. God very graciously provided a new laptop to finish seminary and hopefully serve us well as we return to Africa.

Now for the really sad news: Paul's father, Roland, went to be with the Lord on June 9. Roland had struggled with heart problems for many years. Between March and June Paul has made four trips to New Mexico to be with his family. Donna and the kids joined Paul on two of the four trips. We praise God for some precious and sweet time with Roland before he passed away.

Good News

- ☺ Accepted with Trans World Radio
- ☺ Paul being ordained
- ☺ Provision of new laptop

Sad News

- ☹ Paul's father passed away

Future newsletters will be coming from Trans World Radio (so for those of you who throw away your junk mail as fast as we do, please make sure it is not our next prayer letter from Trans World Radio; it might have a photo for your fridge)

Dates we will be in New Mexico August 1-7

We have completed another successful year of school; Paul in Seminary, Donna teaching at the community college and the kids in elementary school. Lord willing, Paul will finish seminary in January of 2006. This summer Paul is working on his thesis and taking the third semester of Hebrew, fun, fun, fun!
