

Miriam, Nehemiah, Donna, Paul and Micah Joy

FAMILY NEWS

The rains in Kenya have started. Here they say when it rains God is pouring down His blessings. We are blessed.

On July 16, Nehemiah will graduate from RVA and launch into adult life. We are very proud of him. The plan is for him to attend Oklahoma Christian University (www.oc.edu) in Edmond.

In April, Micah Joy will have jaw surgery in South Africa. Lord willing this will improve her breathing, speech and bite. Paul will go with her and support her through the surgery and recovery. When not attending to Micah Joy, he will be able to work out of the TWR office in South Africa.

After Nehemiah graduates the entire Cox family will head to the USA for furlough. Nehemiah will start university in August. Micah Joy and Miriam will return to RVA in late August to continue high school in Kenya. At the end of November, they will fly back to the USA to join Paul, Donna, Nehemiah and family for Christmas.

While in the States on furlough, Paul and Donna would love to see as many of you as possible and share about what God has done the last three years and what their future ministry looks like. For August and September, Paul and Donna will be based out of the Dallas / Fort Worth area. They will be based out of Albuquerque for October and November. Drop them an email to get on the list.

In March, the Cox family moved out of the house they were renting, to housesit for some friends who are on furlough. The lease on the house that Paul and Donna were leasing was up at the same time their friends were leaving for furlough. Their friends return from furlough a few days before the Cox family starts theirs.

Donna and Paul will be in the USA August through December and would love to see you. Drop them an email: family@cox-net.com

MINISTRY NEWS

In February, TWR in Africa restructured the ministry. Paul and Donna wholeheartedly support this restructuring and truly believe that it positions TWR's ministry to move forward powerfully in Africa. While they are excited to see how the Lord will use this restructuring, it made Paul's position, Director of Discipleship, redundant. Hence, his position was eliminated. Paul's position becoming eliminated in the restructuring has been very bitter sweet. It is sad to see this phase of his ministry come to an end.

Concurrent to the restructuring in TWR, the Lord was working and opened the door for Paul and Donna to teach, research and write at Africa Theological Seminary (ATS – www.atseminary.ac.ke), which is based in Kenya. After much prayer and reflection, Paul and Donna made the decision to leave TWR at the end of June to join the faculty of ATS as missionaries (i.e. they will still be raising prayer and financial support). More will be said about this in the future, for now you can read more at: www.cox-net.com/changes . **For those who support the Cox family financially, please continue to do so through TWR until June 30.**

Between now and June 30 Paul is working with TWR in Kenya on two FM radio projects. The goal of both of these projects is to increase the coverage of TWR in Kenya. Paul is excited about these projects. It very much reminds him of his KLYT days back in Albuquerque. Lord willing Paul will be able to complete his portion of the projects before the end of June.
